Conditions which could be important in an emergency:

Severe Asthma Diabetes Seizures, Convulsions

Heart Condition Sickle Cell Anemia Allergies

Other

List any special problems that your child may have, such as allergies, existing illness, previous serious illness, injuries during the past 12 months, any medication prescribed for long-term continuous use, developmental issues and any other information which staff need to know in order to properly care for your child.

Does your child need any special accommodations in order to take part in our programs? If so, what?

What other child care center has your child attended? Why did you leave?

---	--

Developmental History

Children learn to do things at different ages. We need to know what each child already can do or is learning to do easily and where they might need help so that we can fit our program to meet each child's need. Please complete the following chart to assist our staff in developing a program for your child.

	Earlier	When Expected	Later	Age
1. sit up without help				
2. crawl				
3. walk				
4. talk				
5. feed and dress self				
6. use the bathroom by self				
7. respond to directions				
8. Play with toys				
9. use crayons				
10. understand what is said to him/her

Permissions and Releases

I agree to keep my child's immunization records up to date and supply the center with current records of these immunizations.

I authorize Playcare, Inc. to administer medication to my child. I understand that I must sign the medication in daily on the medication form. The medication form will be signed by the person administering the medication and records will be available for 90 days.

If a medical emergency occurs and I cannot be reached, I hereby authorize the person in charge at Playcare, Inc. to transport my child to the nearest medical facility and notify my family physician.

I hereby give permission for Playcare, Inc. to transport my child for field trips and learning experiences away from the center provided that I am notified in advance.

I hereby give consent for the release of photographs to the local media taken of my child while participating in the programs sponsored by Playcare, Inc.

If I inform the center that my child has allergies to certain foods or conditions, I give permission for the center to post this information about my child in a prominent position in the classroom so that all adults in the room are easily made aware of the situation.
